- Use the Service, regardless of its purpose, to send emails with massive and / or repetitive unsolicited to a plurality of persons, or send email addresses to third parties without your consent.
- To capture or collect email addresses or other contact information of other users through the service WALLFER order to send emails or other unsolicited communications.
- Host, store, disclose, publish, distribute or facilitate unsolicited or unauthorized advertising, solicitations, promotional materials, "junk mail," "spam," "chain letters," or similar communications.
- Register and use the profile with an economic, commercial or advertising purposes.
- Create profiles on behalf or for the benefit of legal persons (companies administrative agencies, organizations, associations, political parties, unions, NGOs ... etc).
- Urge, request or ask other users through the Service WALLFER, personal data or solicit passwords or personal data.
- Create a false identity, supply and / or use false information in the profile, making false statements, providing false information about yourself and about other people and / or your relationship with them.
- Register a profile on behalf of another person, or any other means of using identities of others and, in particular impersonation of personalities.
- Use the Service to organize any kind of games of chance, betting or gambling whose participation involving money or valuable objects economically.

WALLFER for, depending on the severity and in its discretion, suspend or terminate your profile immediately and, if necessary, to remove content profiles that violate this catalog of prohibitions.

In this application, WALLFER may suspend or cancel your profile automatically without notice, and in any case, such suspension or cancellation would entitle you to compensation. For all these purposes, we inform you that WALLFER may give notice and timely cooperate with the competent law enforcement authorities if detected any violation of the law or if it had suspected crime.

## **6. PROFILES SUBROGATION**

Regarding cases of impersonation of personalities, we warn that in the time we have evidence that you have supplanted the personality of a third party through your profile, we will verify your identity and if you have impersonated an alien identity delete your profile.

If you performed the due checks your identity by WALLFER comprobásemos you had actually carried out an impersonation of an alien identity and we could not properly certify your identity, we would proceed to the definitive cancellation of your profile.

If at any time you know there's a profile that is false or have evidence that may be false please do not hesitate to email to [support@wallfer.com](mailto:support@wallfer.com).

For all these purposes, we inform you that WALLFER may inform and cooperate promptly with the appropriate law enforcement authorities if I detect identity theft that might involve the commission of an offense, in particular, defined in Article 401 of the Criminal Code in force.

## **7. INTELLECTUAL AND INDUSTRIAL SERVICE**

WALLFER is the holder of all rights of intellectual property relating to the Service, except for the contents of users that will belong to them as set out below. By these Terms of Use, WALLFER, as owner of the Service, you are granted a limited, revocable, non sub-licensable license to use the Service strictly personnel. Except for the license referred to above, is prohibited any form of reproduction, distribution, public communication, modification and, in general, any act of exploitation of all or part of the content (images, text, graphics, indexes, forms, etc. .) that make up the web site as well as databases and software required for viewing or operation thereof, which does not have the express prior written authorization WALLFER.

Can not, in any case, commercially exploit or serve, directly or indirectly, in whole or in part, of any content (images, text, graphics, indexes, forms, etc.) that make up the web site without prior authorization and written WALLFER. If you breach this license, WALLFER cancel your profile, without prejudice to other possible consequences of the infringement.

## **8. CONTENTS OF USER PROFILES**

By posting content on your profile -photos, files, texts, videos, sounds, drawings, logos or any other material, retain all your rights over them and WALLFER you grant a limited license to reproduce and transmit the same, to add other information and to transform them in order to adapt to the technical needs of the Service. This authorization is a worldwide, non-exclusive (meaning you can grant another license your content to any person or entity, in addition to WALLFER), for as long as you force your profile and with the sole purpose of that WALLFER service can lend in the terms explained in these Terms of use.

The foregoing license will be resolved once you remove your content from the Service des low or your profile. From that moment, WALLFER interrupt the communication of your content as soon as possible.

Regarding the content you post on the Service, you warrant:

- That you are the owner or holder of the rights that allow you WALLFER grant the license for publication and, where appropriate, third you have obtained the necessary consent to do so.
- Do not violate applicable laws such as those relating to the right to privacy, image and / or honor, rights of intellectual or similar property or any right of a third party, either a person or an entity.

That if you post personal information of any of your friends or someone else, they've reported previously obtained consent for the publication of such data. For this, you respond against WALLFER the veracity of the assertions, hold harmless to WALLFER to any claim or complaint by a third party in relation to the above statements and in relation to any legitimate rights to the content you posted on the Service.

## **9. NOTIFICATION OF INFRINGEMENT**

In WALLFER we ensure the protection of the rights of the owners so that if any person or entity detects that its contents have been published on the Service without your consent, generating an infringement of intellectual property and / or law the honor, privacy or image or any other law, WALLFER may inform, sending an email to support@wallfer.com or by mail to the address listed at the beginning conditions of use (with the subject in the case of email or express mail reference "violation of Rights") and accompanying the following information:

- Identification of the content or personal information or protected right has been violated.
- Identification of that content sufficiently so that we can locate it within WALLFER delServicio.
- email and phone: • enough for WALLFER can contact the claimant ID.
- D.N.I copy of your passport or a similar official document can be identified.

A signed statement in which the claimant stating that the above information is true and claiming to be the legitimate owner (or that is authorized to act on their behalf) of the allegedly violated rights.

## **10. WALLFER FEELING: TERMS OF USE**

In addition to the above, and since WAFER allows the possibility of linking through the Service that offers both the website and mobile application have a section called "Feeling".

In this section user photos, age and degree, degree or college who is studying or given to those that have been accessed through the search filter will be displayed. You may confirm that it is interested or not in that user and, if a match occurs, it will notify both to continue the relationship.

User profile there is an option to determine whether or not participate in this section. Thus, if you decide to participate in WALLFER "Feeling" will be visible to other users. Otherwise, it will not be visible.

Also in this specific section of WALLFER they must meet other conditions of use described.

## **11. LIABILITY FOR USERS INTERACTIONS**

You are solely responsible for the interactions that you have with other users WALLFER. We do not control your relationships, what we recommend is that you choose good friends and people who join your network. Of course, if someone harasses, bullies, you must inform us immediately so that we take appropriate action.

WALLFER not responsible for conflicts that could have with other users and do not involve breach of these Terms of Use by any of you.

## **12. ADVERTISING**

You know and accept that there is advertising on the Service and, therefore, from your profile you can access third-party advertising companies and professional contract with WALLFER.

## **13. INVITES, PASSWORDS RECOVERY AND OTHER NOTICES**

WALLFER can put at your disposal a notification service to your email so that you know that there are movements on your profile and network of your friends WALLFER.

This notification service will not affect communications WALLFER can make for:

- Retrieve your password, in case it has been forgotten.
- send you invitations so you can send new friends.
- Change your email account.

You know and accept that these types of communications and any others of a similar nature are necessary and therefore part of the Service.

As user WALLFER you can invite friends to join WALLFER. Simply to send her an invitation code to your friend via the web or mobile application. This invitation is a simple vehicle WALLFER offers you so that if you want, you can offer your contacts the opportunity to register in WALLFER provided they meet the conditions for WALLFER user. Sending this invitation does not imply that your friend appears registered WALLFER automatically.

Your friend will have to accept the invitation and comply with the registration process User WALLFER.

WALLFER not make use of the data signals in the invitation and especially the email account of your friend.

You'll be you who you answer against your friend if there is any claim against WALLFER.

When you invite others to join WALLFER, you will answer against the recipient of your invitation for any claim that it could make to WALLFER exonerate the latter from any liability that may arise from such an invitation.

## **14. LINK USE**

You may not use of any technical, logical or technological under which someone WALLFER user or not, may benefit, directly or indirectly, with or without profit, profiles and content of the website.

No one may insert into your website, blog, forum, WALLFER profile or any social network, a link, hyperlink, framing or similar link that redirects to URLs WALLFER content and / or profiles WALLFER. If WALLFER detect any link of this kind that would violate the rights to privacy, honor and self-image of its members shall be fully entitled to act in order to remove that link and, where appropriate, make it known to the competent authorities.

## **15. WALLFER MOBILE SERVICE**

All provisions of these Terms of Use shall apply to access to do the service via mobile phone.

In this regard, you have to keep in mind that we do not charge for mobile access to the Service, but your mobile operator will apply the rate you have contracted for sending and receiving data.

WALLFER not responsible for the restrictions that the mobile operator may have imposed and that could make the Service will not function normally. Also, you are responsible for knowing if your mobile operator, your contracted services and your mobile terminal are suitable for access to the Service.

## 16. MODIFICATIONS

WALLFER may replace, at any time, for technical reasons or changes in the Service or regulations, as well as changes which may arise applicable type codes or, where appropriate, by strategic corporate decisions, the Terms of Use and Privacy Policy and data Protection and, as appropriate, replace, complete and / or modify the conditions of use and here collected.

When WALLFER replace or modify the Terms of Use or Privacy Policy and Data Protection, we will send it through the website and if, once you have informed, continue using the service, we understand that you accept the changes introduced. If you were not agree with the changes made, you can unsubscribe in the service following the procedure enabled it.

## **17. APPLICABLE LAW AND JURISDICTION**

Current legislation determines the laws that should govern and the jurisdiction should be aware of the relationship between WALLFER and Website Users. Nevertheless, in cases where that current legislation provides for the possibility for the parties to submit to a particular jurisdiction, WALLFER and the User, expressly waiving any other jurisdiction that may apply, submit to the Courts of the city of Elche.

## **18. PRIVACY POLICY AND PROTECTION OF PERSONAL DATA**

To be user WALLFER, and have your profile WALLFER, you need to read our Policy on Personal Data Protection and give us your consent through the box on the registration form so that we can address your data.

Our Policy Personal Data Protection affects all personal data input us to register, as well as those who provide us during the time that you force your profile to access any services (present and / or future) of WALLFER.

## 19. PROFILES AND USERS

This information will be available and may be modified by you through your profile.

Having a profile on WALLFER supposed to be you at all times and you can not make anybody go through.

You have to be totally responsible and enter your real and accurate data. From WALLFER seek to verify the accuracy of your data, and we reserve, without prejudice to other actions, the right not to register or to unsubscribe if the data you have provided false or incomplete. The obligation to have a real profile is essential in WALLFER. We also inform that in WALLFER, as a private social platform, we reserve the right to refuse admission, has the power to unilaterally cancel the profiles that do not seem to us appropriate for its content in connection with the Service.

When you register with WALLFER, you have a WALLFER profile in which you hang and share, as you like, and who want your real personal information. Personal information will be shared in WALLFER with the privacy that you yourself choose and under your exclusive control.

It is up to you to control, at all times, your personal information that we ask and encourage you to be careful with personal information you share and who you share it. Moreover, as user WALLFER we have to report any changes occurring in the data you have given us. You can access "My account", "Personal Information" and make the changes you want.

## 20. INVITES

As user WALLFER you can invite friends to join WALLFER . Just send him an invitation code to your friend via the web or mobile application. This invitation is a simple vehicle WALLFER offers you so that if you want, you can offer your contacts the opportunity to register in WALLFER . Sending this invitation does not imply that your friend appears registered WALLFER automatically .

Your friend will have to accept the invitation and comply with the registration process User WALLFER .

WALLFER not store the data signals in the invitation, and especially of the email account of your friend , which will be used exclusively to launch your invitation. You who answer against your friend if there is any claim against WALLFER .

As a User you must make proper use of the system of invitations according to the provisions of the Terms of Use .

## 21. PRIVACY LEVELS

WALLFER offers you privacy levels to ensure the safety of your data. In this way, it is you who, under your sole responsibility decide, at your own risk, who has access to your personal information.

As user WALLFER you can control at all times the privacy of your profile and its different elements; your photos, your board, receiving messages and / or visibility of your phone numbers. Here we point out how to control your privacy at different levels depending on the type of content and in terms of three categories. You are solely responsible for the privacy level you choose.

The first level offers privacy WALLFER affects your profile and photos and choose from these categories:

- Invisible. No one can access your data and your profile information.
- Only my friends. It implies that only friends you have selected will have access to your data and your profile information.
- only to friends of friends. It assumes that you have selected friends, and friends selected by each of them, have access to your data and information in your profile.
- All members of WALLFER. It assumes that all people with profile WALLFER have access to your data and information in your profile.

Complementary and compatible manner chosen earlier levels of privacy, you can choose not to allow anyone to see your board and / or anyone can download your photos. You will also have the ability to block unwanted callers.

Should WALLFER añadiese additional levels of privacy, you will be timely informed of this in accordance with the provisions above. WALLFER not be liable in any circumstances for any claim related to the chosen security controls and access to your information by other users.

WALLFER not control and therefore assumes no responsibility for the possible collection and processing of information from Users by other Users or third parties.

Also, you have to know that there is a search engine that allows you to search for other members WALLFER users in WALLFER. In general searches made by registered users WALLFER profiles, you do not have access to the profile information of users. In these cases, the only information that is fully shared and displayed as presentation will be the user's name, age, the university where he is currently pursuing his studies, or has completed, and, if necessary, the photo that user decides to hang as the main picture.

Besides the traditional search engine described above, WALLFER offers users a search engine that allows you to filter searches. In this sense, the user searches can be performed by sex, race, and other data Univerisdad service to handle.

Besides the above, the search can be thrown as radar display, showing the location of users filtered by the distance in kilometers.

## **22. PROCESSING OF PERSONAL AND ADVERTISING**

The data that you contribute in the registration process WALLFER include them in the database of users which have informed the Spanish Data Protection Agency.

For your information, the Spanish Data Protection Agency is an entity that is responsible for ensuring compliance with the laws that protect personal information and ensure security and data privacy.

If we collect your data and is trying to identify you as a user WALLFER, give access to WALLFER and put at your disposal all the facilities and applications of our private social platform. In addition, we'll keep you informed through its own network of all developments arising on WALLFER.

Also, you will visualize the information network of companies with which WALLFER works.

You can also access your network sponsored events. These events are sponsored by a company with which WALLFER works and in which, if you are interested, you can participate activities.

As WALLFER user you are entitled to have access to your personal data to know how to treat them and for what purpose and tell us if you oppose us to use your data for a particular activity. And you can rectify your data if you see that are not correct and you can even ask us to cancel if you do not want to be WALLFER user.

For all this have to contact us by sending an email to [support@wallfer.com](mailto:support@wallfer.com). Please be advised that in order to do any of the actions that you have indicated you'll require ID card or other document that identifies you and check to make sure that you who have contacted us.

## **23. CONTENT AND PERSONAL INFORMATION**

In addition to personal data, you can share in your profile texts, photos, videos ... and other information that is subject to the Terms of Use WALLFER.

WALLFER not control the information you share with other users and therefore we are not responsible for that information. However, if you know that there is a WALLFER information or content that may be inappropriate and be contrary to our Policy on Personal Data Protection and our Terms of Use please contact us by email to [support@wallfer.com](mailto:support@wallfer.com)

## **24. UNSUBSCRIBE WALLFER**

You can temporarily disable your profile or unsubscribe completely.

For any questions you have you can contact us by sending an email to [support@wallfer.com](mailto:support@wallfer.com)
